Duropal ... quality you can take for granted. All constituent parts of our worktops are manufactured within the Pfeleiderer Group, therefore giving us complete quality control over our finished products. Duropal worktops are the perfect alternative to acrylic based, granite and stone worktops at a fraction of the price. Our comprehensive selection of decors offers opportunities from the most modern applications to the more traditional. 61 exciting decors - 49 in the unique Quadra profile and 12 in the popular Cubix profile.

With Duropal you're covered from all directions ...

Technical Details

Length	Thickness	Width
4,100 mm	40 mm	600 mm - Postformed one long edge
4,100 mm	40 mm	670 mm - Postformed both long edges
4,100 mm	40 mm	900 mm - Postformed both long edges

Surface textures:

Crisp Granite (CT), Enhanced High Gloss (HS), Enhanced Semi Matt (MS), Fine Grain (FG), Montana (MO), Natural Wood (NW), Rustica (RU), Stucotex (SX), Top Face (TC), Top Velvet (VV), Xtreme Matt (XM)

High Pressure Laminate (HPL) Upstands

Surfaced in genuine Duropal high pressure laminate produced with P3 moisture-resistant chipboard core and available to match all 61 decors in the following size:

- 4,100 x 120 x 19mm nominal, 3mm postformed radius

An ideal finishing touch for your Duropal high pressure laminate worktops offering another cost-efficient and hygienic alternative to tiling.

Whilst our Duropal HPL upstands are produced using P3 moisture-resistant chipboard, please ensure that due care is taken to correctly seal the product to prevent moisture ingress.

High Pressure Laminate (HPL) MDF Back Panels

Consisting of a 8mm E1 medium density fibreboard (MDF) core surfaced with genuine Duropal high pressure laminate manufactured to DIN-EN438. Available in 61 matching decors plus 1 real metallic option (Alu 1 – not available as a worktop) in the following sizes:

Worktop Decors

- 4,100 x 640mm x 9.2mm nominal (8mm MDF core)
- 2,050 x 1,300mm x 9.2mm nominal (8mm MDF core)

M9510 SM / Alu 1

- 4,100 x 640mm x 9.6mm nominal (8mm MDF core)
- 2,050 x 1,300mm x 9.6mm nominal (8mm MDF core)

Please ensure that due care is taken to correctly seal the product to prevent moisture ingress.

* For installation behind hobs, check with hob manufacturer's fitting instructions to ensure suitability and distance requirements are met.

Enhanced High Gloss (HS)

HS is a fashionable yet enhanced performance gloss finish designed to both complement the effect of the decor and provide improved abrasion resistance when compared to standard gloss finishes. All gloss surface finishes will scratch, and will also show scratches more easily. Additional care should be taken accordingly in both installation and use.

Technical Specification

HPL Surface	Duropal Worktops are surfaced with genuine high pressure laminate guaranteed to BS/EN 438; hardwearing and easy to clean.
Glueline	Guaranteed moisture and heat resistant to BS/EN 204.
Postformed Edge	The profiled front edge of Duropal Worktops is designed to prevent liquid spills finding their way into drawers and cupboards.

Special Seal

All Duropal Worktops with both Cubix and Quadra Profile come with a unique seal designed to ensure a lifetime of protection against moisture and steam.
